

INDEX TO VOLUME 20

A

- Abdomen, Acute conditions in the, 597
 Abdominal tragedies, acute, Differential diagnosis in, 351
 Acute appendicitis, 787
 Acute appendicitis in children under twelve years, 583
 Acute conditions in the abdomen, 597
 Acute suppurative otitis media and mastoiditis, 576
 Acute surgical mastoiditis, 90
 Acute vasospastic hypertension (case report), 180
 Adamantinoma with cyst of lower jaw, 624
 Adams, B. S.: Injuries of the thigh, 730
 Adequate and inadequate treatment of injuries of the head, The, 712
 Adson, A. W., Photograph, 35
 Adson, Alfred W.: Essential hypertension: surgical treatment by resection of splanchnic nerve and removal of first and second sympathetic lumbar ganglions, and partial resection of suprarenal gland (abstract), 317
 Adson, Alfred W.: The value of, and indications for, intravenous injections of alcohol in the relief of pain, 135
 Affective reaction types of psychoses, 174
 Agranulocytosis following the prolonged use of allonal, 355
 Alcohol, intravenous injections of, The value of, and indications for, in the relief of pain, 135
 Allonal, Agranulocytosis following the prolonged use of, 355
 Aloes, The external use of, 670
 Anal fissure, 734
 Analgesia, Obstetrical, 444
 Anal retractor, A new, 300
 Anesthesia, Newer developments in, 362
 Anesthesia, spinal, The selection of dosage and technic in, 542
 Anesthetics, newer, Indications for, 517
 Antenatal treatment of prenatal syphilis, 423
 Appendicitis, Acute, 787
 Appendicitis, Acute, in children under twelve years, 583
 Arterial insufficiency, peripheral, a proposed new diagnostic test for, 236
 Arterial insufficiency, peripheral, Diathermic treatment in, 379
 Arthritis, Traumatic, 153
 Aseptic uretero-sigmoidostomy (synopsis), 65
 Asher, Leon: Functions of the spleen and thymus, 269
 Azygos lobe, Lobar pneumonia of the (case report), 791

B

- Back injuries as an industrial disability, 706
 Balfour, Donald C.: Surgical treatment of peptic ulcer, 769
 Bannick, Edwin G., Habein, Harold C., and Brown, Alex E.: The use of sulfanilamide and prontosil solution, 691
 Barbiturates, Severe cutaneous reactions to the, 92
 Barometric pressure, The effect of, on the incidence of cerebral hemorrhage, 148
 Barr, Lowell C.: A simple method of transfusion in infants, 104
 Barron, Moses: Malignant hypertension (abstract), 266
 Benedict, William L.: Episcleritis and its relation to disease of the female pelvic organs (abstract, 130), 287
 Benzadrine in the treatment of narcolepsy, 28
 Bierman, Jessie M.: The significance of glomerular nephritis in childhood, 703
 Bladder, The surgical management of diverticulum of the, 811

- Bladder tumors, Treatment of, 593
 Bone marrow and leukopenia, The, 140
 Boyer, Sam, Jr.: Protein deficiency edema, 653
 Boyer, Sam H., Jr.: The bone marrow and leukopenia, 140
 Branchial cysts, 31
 Breech extraction, Version and, 442
 Briggs, John Francis, and Oerting, Harry: The gastric anti-anemic factor in subacute combined sclerosis (case report), 239
 Briggs, John Francis, and Oerting, Harry: The prognostic value of the cold test in pregnancy, 382
 Bronchogenic carcinoma, primary, Total left pneumonectomy for, 808
 Brown, Alex E., Bannick, Edwin G., and Habein, Harold C.: The use of sulfanilamide and prontosil solution, 691
 Bulkley, Kenneth: Late results in a fractured patella together with observations on the operative treatment of fractures of the patella, 541
 Burch, Frank E.: Visual impairment due to neglect, 646

Book Reviews
